BIONICLE GLATORIAN LEGENDS

PROFILE CARDS

BATTLE WITH THESE CARDS
TO SEE WHO IS THE MOST POWERFUL
GLATORIAN LEGEND.

MATA NUI

STRENGTH: 10

AGILITY: 11

TOUGHNESS: 10

MIND: 12

Once the Great Spirit of the universe, Mata Nui's realm and power have been stolen. Now trapped on Bara Magna, he has built a new body for himself. He is wise, honorable, a little lost in this new world and new body. While he is driven to complete his mission, he is open to new alliances and learning new things.

- Mask:** Kanohi Ignika, the "Mask of Life"
- Ability:** Able to create new things, which no one else on this world can do
- Weakness:** Not used to physical fighting or being less than the ruler of a universe
- Weapons:** Scarab shield and Thornax launcher

STRONIUS

STRENGTH: 12

AGILITY: 8

TOUGHNESS: 13

MIND: 9

Stronius is an aggressive, extremely confident and experienced warrior, who never for a moment thinks anyone could beat him (since no one ever has). He is an elite Skrall, which is why he has an actual name, rather than just being called "Skrall."

- Tribe:** Rock
- Village:** Raxtus
- Ability:** Extremely strong
- Weakness:** Not very fast or agile
- Weapons:** Spiked club, Thornax launcher

ACKAR

STRENGTH: 11

AGILITY: 9

TOUGHNESS: 10

MIND: 10

A veteran Glatorian, Ackar worries that he may be past his prime. He is smart, loyal, trustworthy, and honorable. Ackar becomes a close friend and ally to Mata Nui throughout his adventure on Bara Magna.

- Tribe:** Fire
- Village:** Vulcanus
- Ability:** A good tactician
- Weakness:** Not as "young" as he used to be; no longer quite so quick in the arena
- Weapons:** Flame sword, Thornax launcher

KIINA

STRENGTH: 10

AGILITY: 11

TOUGHNESS: 10

MIND: 9

Kiina is quick-tempered and finds it difficult to trust others. Frustrated with Bara Magna, she is eager to get away from it by any means possible, but she is loyal to her few friends.

- Tribe:** Water
- Village:** Tajun
- Ability:** A fierce fighter
- Weakness:** Impulsive, sometimes reckless in combat
- Weapons:** Dual-headed vapor trident and Thornax launcher

VASTUS

STRENGTH: 10

AGILITY: 10

TOUGHNESS: 10

MIND: 9

Vastus did many things in the Spherus Magna war that he regrets, and so he fights extra hard for his village to make up for it. He is driven, and takes his job very seriously.

- Tribe:** Jungle
- Village:** Tesara
- Ability:** Extremely quick
- Weakness:** Sometimes so determined to make up for his past that he takes needless chances
- Weapons:** Snake venom talon, Thornax launcher

GELU

STRENGTH: 10

AGILITY: 10

TOUGHNESS: 11

MIND: 11

Gelu is out for himself and for profit. He dislikes the Skrall because they cut into his business. He thinks he understands how the world works and how to make it work for him.

- Tribe:** Ice
- Village:** Iconox
- Ability:** Excellent tracker and scout
- Weakness:** A loner, who can't count on others to help in a crisis
- Weapons:** Ice slicer and Thornax launcher
